DETAILED ACTION

1. Applicant's IDS filed April 17, 2009 prior to payment of the issue fee has been fully and carefully considered and is attached hereto.
2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach and/or suggest the coke over repairing apparatus which includes a traveling carriage which includes a working device for making repairs on the coke oven walls within the coke oven which is mounted on the traversing carriage which includes a guide post which stands on the traversing carriage, a lances which ascends or descends along the guide post, the lance oscillating means including an extendable device which extends and contracts and is coupled to the guide post and traversing carriage. The prior art fails to teach or suggest the lance which can tilt through a wide range in the coke oven by the fulcrum arrangement which maximizes the oscillating angle of the lance which is inserted in the carbonizing chamber for repairing as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to N. Bhat whose telephone number is 571-272-1397. The examiner can normally be reached on Monday-Friday, 9:30AM-6:00PM.
